ABOUT US

- › SAVSOL & SAVSOL ESTER 5 - quality product range from the house of Savita Oil Technologies Limited with a legacy of 63+ yrs.
- › Sales Turnover of ~ Rs 3700 Cr+ (FY 2023-2024).
- › SOTL emerges as the largest importer of base oils in India in 2023.
- › Shares listed on the BSE & NSE (since 1994).
- › Wide range of products: Automotive & Industrial Applications.
- › Our Kharadpada Plant is IATF 16949 Certified and has a manufacturing capacity of ~ 1,00,000 KL of lubricants and ~ 30,000 KL of DEF / AdBlue.

1st PRIVATE SECTOR

Oil company in India to setup a full fledged R&D lab

MARKET LEADER

in Transformer Oils, White Oils,
Mineral Oils & Formulated
Specialty Products

RANKED NO. 1

in Lubricants category and overall
ranked no. 42 in Fortune India-
"The Next 500 " List in FY 2019-
2020

STATE OF ART MANUFACTURING

- › ISO 22241 & VDA License for AdBlue production.
- › Certified for ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018.
- › 4 states of the art QC labs and 2 of them are NABL Accredited.
- › Our R&D center at Turbhe is recognized by Dep. of Scientific & Industrial Research, Gov. of India.
- › Applied for International Patents for our specialty formulations & products.

OUR MAJOR OEMS

OUR HEAVY EQUIPMENT PARTNERSHIPS

Company	Product Category	Trusted  Partnership
TATA HITACHI	HYDRAULIC & ENGINE OIL (Genuine)	29+Years
	GEAR & TRANSMISSION OIL (Genuine)	
	GREASE & COOLANTS (Genuine)	
	DEF / AdBlue (Genuine)	
 SANY	HYDRAULIC & ENGINE OIL (Genuine)	9+Years
	GEAR & TRANSMISSION OIL (Genuine)	
	GREASE & COOLANTS (Genuine)	
	DEF / AdBlue (Genuine)	
 HYUNDAI CONSTRUCTION EQUIPMENT	HYDRAULIC & ENGINE OIL (Genuine)	4+Years
	GEAR OIL (Genuine)	
	DEF / AdBlue (Genuine)	
 SCHWING Stetter	COOLANTS	1+Years

OUR MAJOR OEMS

OUR 2-WHEELER/ 3- WHEELER PARTNERSHIPS

Company	Product Category	Trusted  Partnership
	ENGINE OIL Genuine	1+ Years
	ENGINE OIL Genuine	29+ Years
	EV TRANSMISSION FLUID	1+ Years
	EV COOLANT	1+ Years

OUR PASSENGER VEHICLE PARTNERSHIPS

Company	Product Category	Trusted  Partnership
TATA MOTORS	ENGINE OIL Genuine	5+ Years
mahindra ^{Rise}	COOLANTS Genuine	24+ Years
mahindra ^{Rise}	DIESEL EXHAUST FLUID Genuine	4+ Years

OUR COMMERCIAL VEHICLE & TRACTOR PARTNERSHIPS

Company	Product Category	Trusted  Partnership
mahindra TRUCK AND BUS	COOLANTS Genuine	12+ Years
mahindra Tractors	COOLANTS Genuine	9+ Years
SWARAJ	COOLANTS Genuine	13+ Years
	ENGINE OIL Genuine & Co-Branded	
	WET BRAKE OIL Genuine	
TAFE	ENGINE OIL Genuine	2+ Years
	TRANSMISSION OIL Genuine	
	WET BRAKE OIL Genuine	
mahindra TRUCK AND BUS	Diesel Exhaust Fluid Genuine	1+ Years

ENGINE OILS

Our comprehensive range of high-performance engine oils caters to demanding industrial applications, meeting or exceeding API standards CH-4, CI-4, CI-4 PLUS, and CK-4.

Product Name	Meet Specifications	OEM Approval
Savsol Syn 5W-30	Synthetic API FA-4	
Savsol Ultra Premium Plus 10W-40	API CK-4	Daimler-Benz DTFR 15C110 (MB 228.51)
Savsol Ultra Premium Plus 10W-30	API CK-4	
Savsol Ultra Premium Plus 15W-40	API CK-4	Volvo VDS 4.5, Cummins CES 20086
Savsol Premium HD Xtra 15W-40	API CI-4 Plus	Cummins CES20078, Volvo VDS 3, Daimler-Benz DTFR 15B110 (MB 228.3), JASO DH-1
Savsol Ultra HD 15W-40	API CH-4	
Savsol Super Turbo 15W-40	API CF-4	
Savsol Super Turbo 20W-40	API CF-4	

Consumer Benefits:

- ▶ High-performance engine oils for industrial applications.
- ▶ Improved engine durability and longevity.
- ▶ Enhanced fuel efficiency and reduced emissions.
- ▶ Excellent wear protection and corrosion resistance.

GEAR & TRANSMISSION OILS

Our comprehensive range of industrial gear and transmission oils is designed to optimize performance, reliability, and longevity in demanding applications. These high-quality lubricants meet or exceed stringent industry standards, ensuring seamless operation in various industrial settings.

Product Name	Meet Specifications	OEM Approval
Savsol Autogear 80W	GL-4	
Savsol Autogear HD 80W	GL-5	
Savsol Autogear 80W-90	GL-4	
Savsol Autogear HD 80W-90	GL-5	
Savsol Autogear EP 90 LS	GL-5 with Limited Slip	ZF TE-ML 5C,12C ,21C
Savsol Autogear HD 85W-90	GL-5	
Savsol Autogear EP 90	GL-4	
Savsol Synth Autogear HD 75W-90	Fully Synthetic Oil / GL5	
Savsol Ultra KES 3-10W	KES- KHT Pass / CAT TO-4	ZF TE-ML 3C
Savsol Ultra KES 3-30	KES- KHT Pass / CAT TO-4, Allison TES 439	ZF TE-ML 3C,7F
Savsol Transmissions C4 SAE 10W	Allison C-4	
Savsol Transmissions C4 SAE 50	Allison C-4	
Savsol CE Trans ZC	TEML-03C	ZF TE-ML 3C

Consumer Benefits:

- ▶ Enhanced wear protection and corrosion resistance.
- ▶ Improved thermal stability and oxidation control.
- ▶ Smooth shifting and efficient power transmission.
- ▶ Compatibility with various metal and seal materials.
- ▶ Extended oil drain intervals and reduced maintenance.
- ▶ Proven performance in demanding industrial applications.
- ▶ Meets or exceeds stringent industry standards.
- ▶ Expert technical support and lubrication consulting.
- ▶ Customized solutions for specific industry needs.

DRIVE / HOUSING / AXLE OILS

Our comprehensive range of industrial gear and transmission oils is designed to optimize performance, reliability, and longevity in demanding applications. These high-quality lubricants meet or exceed stringent industry standards, ensuring seamless operation in various industrial settings.

Product Name	Meet Specifications	OEM Approval
Savsol Autogear EP 140	GL-4	
Savsol Autogear HD 85W-140	GL-5	
Savsol Autogear HD 85W-140 LS	GL-5 with Limited Slip	ZF TE-ML 16E
Savsol Ultra KES 3 - 50	KES- KHT Pass / CAT TO-4, Allison TES 439	

Consumer Benefits:

- ▶ Enhanced wear protection and corrosion resistance.
- ▶ Improved thermal stability and oxidation control.
- ▶ Smooth shifting and efficient power transmission.
- ▶ Compatibility with various metal and seal materials.
- ▶ Extended oil drain intervals and reduced maintenance.
- ▶ Proven performance in demanding industrial applications.
- ▶ Meets or exceeds stringent industry standards.
- ▶ Expert technical support and lubrication consulting.
- ▶ Customized solutions for specific industry needs.

AUTOMATIC TRANSMISSION FLUID / STEERING OIL / CLUTCH OIL

Our industrial product line features a wide range of high-quality Automatic Transmission Fluids, Steering Oils, and Clutch Oils designed to deliver exceptional performance, reliability, and longevity in various industrial sectors.

Product Name	Meet Specifications
Savsol ATF TASA TO	ATF GM Type "A" Suffix A
Savsol ATF Gold III	ATF Dexron III

Consumer Benefits:

- ▶ Smooth transmission shifting and efficient power transfer.
- ▶ Enhanced wear protection and corrosion resistance.
- ▶ Improved thermal stability and oxidation control.
- ▶ Compatibility with various seal materials and components.
- ▶ Extended fluid drain intervals and reduced maintenance.

HYDRAULIC OILS (ISO VISCOMETRICS 32, 46, 68, 100)

Our hydraulic oil portfolio offers high-performance lubricants designed to optimize efficiency, reliability, and longevity in hydraulic systems. These premium oils meet stringent international standards, ensuring seamless operation in various industrial applications.

Product Name	ISO VG Grade	Meet Specifications
Savsol HY Fluid HAFE (EHVI Hydraulic Oil)	32, 46, 68, 100	DIN 51524 Part III, Part II & Part I ISO 11158 HV & HM Zinc Free & Ashless

Consumer Benefits:

- ▶ Exceptional temperature stability and viscosity control.
- ▶ Optimal performance in extreme temperature ranges (-40°C to 100°C).
- ▶ Enhanced wear protection and energy efficiency.
- ▶ Environmentally friendly, non-toxic, and corrosion-protective formulations.

HYDRAULIC OILS (ISO VISCOMETRICS 32, 46, 68, 100, 150, 220)

Our hydraulic oil portfolio offers high-performance lubricants designed to optimize efficiency, reliability, and longevity in hydraulic systems. These premium oils meet stringent international standards, ensuring seamless operation in various industrial applications.

Product Name	ISO VG Grade	Meet Specifications
SAVSOL HY Fluid HVI	32, 46, 68	DIN 51524 Part III, II, & I, ISO 11158 (HV & HM)
Savsol HLP	32, 46, 68, 100, 150	DIN 51524 Part II & Part I ISO 11158 HM & HL
Savol HY Fluid AW	32, 46, 68, 100, 150, 220, 320, 460	DIN 51524 Part II
SAVSOL Hydraulic Oil VG	46, 68	
Savsol KES 3 -10W		KES- KHT Pass / CAT TO-4

Consumer Benefits:

- ▶ Enhanced wear protection and corrosion resistance.
- ▶ Improved thermal stability and oxidation control.
- ▶ Efficient hydraulic system operation and reduced downtime.
- ▶ Compatibility with various seal materials and components.
- ▶ Extended oil drain intervals and reduced maintenance.

GREASES

Our premium grease portfolio provides superior lubrication solutions, tailored to optimize industrial application performance, reliability, and longevity, through innovative chemistries and customized formulations.

Product Name	Meet Specifications
Savsol Moly Grease	3% Molybdenum Disulphide
Savsol Moly Grease	5% Molybdenum Disulphide
Savsol XHD 2 Grease	Lithium Grease NLGI 2
Savsol XHD EP2-S Grease	Lithium Grease NLGI 2
Savsol Grease AP 3 Plus	Lithium Grease NLGI 3
Savsol Enduramax HDSS 1000	Calcium Sulphonate Complex; NLGI 2; Base Oil Viscosity @ 40deg - 460 cST
Savsol Enduramax HDSS 220	Calcium Sulphonate Complex; NLGI 2; Base Oil Viscosity @ 40deg - 220 cST
Savsol XHD 0 Grease	Lithium Grease NLGI 0
Savsol XHD 00 Grease	Lithium Grease NLGI 00

Consumer Benefits:

- ▶ Enhanced wear protection and friction reduction.
- ▶ Superior thermal stability and oxidation control.
- ▶ Excellent corrosion protection and water resistance.
- ▶ Extended re-lubrication intervals and reduced maintenance.

GEAR OILS FOR CRUSHERS APPLICATIONS

Our premium gear oils for crushers are specifically designed to optimize performance, reliability, and longevity in demanding mining and quarrying applications.

Product Name	Meet Specifications
Savsol Gear Oil 150 EP	
Savsol Gear Oil 220 EP	DIN 51517 Part III
Savsol Gear Oil 320 EP	DIN 51517 Part III
Savsol Gear Oil 460 EP	

Consumer Benefits:

- ▶ Extended gear life and reduced maintenance.
- ▶ Improved crusher efficiency and productivity.
- ▶ Reduced downtime and increased uptime.
- ▶ Enhanced protection against corrosion and wear.
- ▶ Optimized performance in extreme temperature.

RADIATOR COOLANTS

Optimize engine potential with our premium radiator coolants, expertly designed for industrial, automotive, and heavy-duty uses

Product Name	Meet Specifications
Savsol R2U Coolant	Premix
Savsol HI KOOL C	Antifreeze Concentrate
Savsol Advance Coolant	Meets Cummins specifications
Savsol EV Green	Coolant for EV

Consumer Benefits:

- ▶ Enhanced engine protection and longevity.
- ▶ Improved cooling efficiency and performance.
- ▶ Reduced corrosion and maintenance costs.
- ▶ Increased uptime and reduced downtime.

THERMIC FLUID FOR HOT MIX PLANT

Optimize industrial heat transfer with our premium thermic fluids, engineered for efficient and dependable performance.

Product Name	Meet Specifications
Savsol Thermic Oil 32	Mineral Grade
Savsol Syntherm Special	Synthetic Grade

Consumer Benefits:

- ▶ Efficient heat transfer and energy savings.
- ▶ Extended fluid life and reduced maintenance.
- ▶ Improved system reliability and uptime.
- ▶ Enhanced safety and environmental protection.

COMPRESSOR OILS

Maximize compressor efficiency and lifespan with our long drain synthetic oils, expertly formulated for industrial use

Product Name	Meet Specifications
Savsol CompShield	Group III Base Oil ISO VG 32, 46, 68 cSt
Anderol 555	Fully Synthetic ISO VG 100 cSt
Savsyn 40 series	Fully Synthetic ISO VG 10,22,32,46,68 cSt

Consumer Benefits:

- ▶ Extended oil drain intervals (up to 5,000 hours or more).
- ▶ Reduced maintenance and downtime costs.
- ▶ Improved compressor efficiency and productivity.
- ▶ Enhanced protection against corrosion and wear.
- ▶ Environmentally friendly, non-toxic formulations.

SAVSOL AdBlue®

*Give your vehicle the care
it deserves*

SAVSOL AdBlue (DEF / AUS 32) Ensures:

- ▶ Increase in Fuel Economy
- ▶ No Vehicle Breakdown
- ▶ Reduction in Maintenance Cost
- ▶ No Damage to SCR System
- ▶ Cleaner Environment by Reducing Pollution
- ▶ Reduction in NOx Emissions
- ▶ No Damage to Catalyst
- ▶ Available SKUs : 20L, 210L
